Hasbro
Iron Man Arc FX Armor

Imagine you're blasting into battle like Iron Man with these articulated Arc FX gloves, featuring a light-up repulsor in the palm of one glove. Raise your hand to activate lights and blasting sound effects. 1 repulsor and 2 articulated gloves included

Hasbro
12-inch Titan Hero Tech Electronic Figures

The 12-inch Titan Hero Tech Electronic Figures feature phrases that simulate conversation with each other, as well as great sound effects. These movie-styled electronic figures are highly decorated, heroically posed, with 5 point articulation. The assortment of Captain America, Iron Man, Thor, Ultron and Hulk are all recognized by the Titan Hero Tech Interactive Hulk Buster. Each figure sold separately

Hasbro
Hulk Gamma Grip Fists

Imagine battling evil like the most powerful member of the Avengers: Hulk! Pretend to smash your way through any obstacle with these foam hands. Two flexing hands let kids grip and grab to make sure no villain can escape your grasp! 2 flexing foam hands included.

Hasbro
2.5-Inch range Movie Action Sets

The movie action sets are the perfect backdrop to bring the world of the Avengers to life! This assortment of three sets captures key battle moments from the movie allowing kids to tell their own heroic story! Plus, kids can stack all three action sets to form a giant Avengers HQ playset! Each set includes 2 figures. There are 3 sets available: Hulk Buster Breakout, Captain America Tower Defense and the Iron Man Lab Attack. Each set is compatible with all figures, vehicles and other sets in the 2.5-inch system. Each sold separately.

Hasbro

2.5-Inch range figures 2-pack

Each Figure 2.5-pack features a 5 point articulated, movie-accurate Avengers hero facing off with a two piece sub-Ultron figure. Kids can collect the sub-Ultron figures to build their own larger figure! Each sold separately.

Hasbro

Titan Hero Tech Interactive Hulk Buster

This over-sized, movie-inspired Interactive Hulk Buster recognizes and responds to each character with unique speech, sound and light effects! The Interactive Hulk Buster can recognize and respond to multiple Titan Tech figures at one time for an exciting play experience. He also features a great signature jackhammer punch and repulsor chest lights. Each figure sold separately.

LEGO

The Avengers Quinjet City Chase

Launch a high-speed pursuit of Ultimate Ultron with the Avengers in the iconic Quinjet. Place Black Widow at the controls in the cockpit and soar into the sky. Fire the stud shooters and release Captain America on his super-cool bike to take the pursuit to the streets. Iron Man MK43 is flying alongside the Quinjet using his thrusters, ready to take on Ultimate Ultron. Includes 5 minifigures with assorted accessories: Vision, Captain America, Black Widow, Iron Man and Ultimate Ultron.

LEGO

Attack on Avengers Tower

The Heroes are having a party when suddenly Avengers Tower comes under Ultron attack from the inside! Evil Ultron Mark 1 has assembled himself in the lab and is exploding out the windows. Help Iron Man and Thor to defeat Ultron Mark 1 and the 2 Iron Legion accomplices under his control.

Mattel

From the super thrilling, action-packed world of Marvel come villains and heroes reimagined as 1:64 scale Hot Wheels® vehicles. Each features unique decos and details authentic to their character. Collect them all!

Thinkway Toys

U-Command Iron Man Motorcycle

Infrared remote control motorcycle with light-up wheels and SFX.

Front wheel pivots right and left for turning and spins. Control the bike's movements with the joysticks on the wireless remote or use the control buttons to maneuver forward, reverse, left or right. Motorcycle turns in all directions. Send instant commands or a preprogrammed action sequence to the Iron Man Motorcycle via the infrared remote control and your commands will be carried out! Easy to use remote control with over 1000 program action combos! Lights in wheels change from blue to red color.
